Track Director:

Maria Margarida Nascimento Jesus holds a PhD in Economic and Business Sciences, Master's in Economics and Degree in Business Organization and Management. She taught for several years in the various degrees at the High School of Tourism, Hospitality and Management of the University of Algarve and the Master's in Human Resources Management the signature of Business Ethics and Corporate Social Responsibility. She also taught for several years the signature of Business Ethics in the Master of Business Management at the Faculty of Economics of the University of Algarve. Given her doctoral thesis was focused on Business Ethics, her main research interest focuses mainly on this topic. She has supervised several master's theses in Business Ethics and Human Resources Management.
